

## DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I declare:

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled Plastic Masking Cover, the specification of which was filed on 05 June 1998, as Application No. PCT/US98/11721, now US Application No. 09/508,028, and was not amended.

My residence, post office address and citizenship are as stated below next to my name.

I have reviewed and understand the contents of the specification identified above, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the United States Patent and Trademark Office (the Office), all information which is known by me to be material to patentability as defined in Title 37, Code of Federal Regulations (C.F.R.), Section 1.56.

### CLAIM OF PRIORITY

I hereby claim the benefit under Title 35, United States Code, of any United States application(s) listed below and, insofar as the above-identified specification, including claims, discloses and claims subject matter in addition to that disclosed in the prior co-pending application(s), listed below, I acknowledge the duty to disclose to the Office, all information which is known by me to be material to patentability as defined in 37 C.F.R. §1.56, which became available between the filing date of the prior application and the national or PCT international filing date of this application.

U.S. Application No. 60/048,791, filed on 06 June 1997, and  
co-pending at the filing of the present application

### POWER OF ATTORNEY

I hereby appoint the patent law firm of Waters & Morse, P.C., 400 Ledyard Building, 125 Ottawa, N.W., Grand Rapids, Michigan 49503, telephone number 616-458-7535, facsimile number 616-458-7548, and the individual patent attorneys and patent agents at such patent law firm, namely, John A Waters, Reg. No. 24,802, and James E. Bartek, Reg. No. 34,770, my attorneys or agents with full power of substitution and revocation, to prosecute this application and to transact all business in and to receive all correspondence from the Patent and Trademark Office connected therewith.

All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true, and further, these statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of this application or any patent issued thereon.
